In the Pre-Theology Program, a seminarian has successfully completed a course with any grade above an F. In Pre-Theology, all failed courses must be retaken and successfully passed before a student can be advanced to theology.

In the Master of Divinity Program, courses fulfill requirements toward degree completion or ordination only when a seminarian earns a D+ or above. All courses where seminarians earn below a D+ in theology must be retaken and a grade of D+ or higher must be earned before graduation.
